MINI ALL-IN-ONE PAGING SYSTEM

Over 80,000 Boomerang Pagers are now in use everyday in Restaurants, Bars, Hospitals, Hotels, Resorts & more...

With Boomerang Pagers you'll easily manage your guest flow and create a quieter, more inviting atmosphere. Boomerang Pagers help you to be more profitable, by eliminating the high cost of labor associated with staff to search for customers.

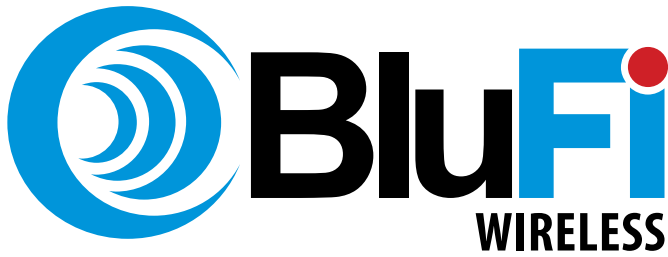

GUARANTEED

TO BEAT ANY WRITTEN COMPETITORS QUOTE BY 10% ON A SIMILAR PRODUCT

IP54

DUST AND SPLASH PROOF PROTECTION PROVIDED. TESTED TO OVER 10,000 IMPACT DROPS & STILL OPERATES AS NORMAL

"Arguably the lowest replacement cost Pager on the market today."

BOOMERANG MINI ALL-IN-ONE PAGING SYSTEM

All in One system offers all the features of our other systems but in a smaller more compact All in One format. The charging base, pagers and transmitter are combined in one piece of equipment that holds up to 15 pagers.

The Boomerang Mini All in One is compact but it doesn't lack any of the features and power of the standard Boomerang Transmitter. With a range of up to 1000 yards the All in one system you can send your customers away to browse your store or even surrounding areas.

BOOMERANG MINI PAGER
