"Arguably the lowest replacement cost Pager on the market today."

BOOMERANG WAITER PAGING SYSTEM

The Boomerang Waiter Paging System has been developed to provide seamless communications between kitchen and wait staff. It eliminates overhead paging systems, kitchen bells and the use of numbered light boards.

Your staff can now spend up to 75% more time on the Dining Floor up selling and attending to your diners requirements! Waiters will return to the kitchen on a demand basis only, after being alerted via the silent vibrating Waiter Pager.
